Designed in loving memory of

Grand Master H.Y.Kang Founder

and

Grand Master Harry W Plichta 9th dan

This years tournament shirt was designed to honor both men who gave so much to CTF and to all of us who participate in this organization. As most of you know Grand Master Kang founded CTF in 1959 and imparted his knowledge to students for many many years. Grand Master Plichta spent many hours with Grand Master Kang learning his history that he passed to others. Master Plichta was also responsible for many tournament give aways and the beginning of the sale table with the various pins and karate souvenirs. We chose a favorite picture of them together and placed it on the shirt along with their respective patches. We choose the purple and green color combination and the dragon as it was the best selling karate shirt that Master Plichta ever sold. We hope you enjoy this years design celebrating the legacy they left us and at the same time encouraging others to make their legacy count. Due to cost of the t-shirt and shipping we are doing a pre order discount with pick-up at the tournament. We will only have a few shirts for sale at the tournament in limited sizes they will cost \$30.00 . So if you want to guarentee a t-shirt be sure to pre-order and **take advantage of the discount cost of \$25.00**. For those of you who are unable to attend the tournament but still want a t-shirt we can arrange shipping to you for an additional \$8.00. Please contact Master Owen at NATKDMasterOwen@gmail.com with the number and sizes of shirts. He will let you know where to send a check or money order. Venmo is also available and he will give you the information via email when he recieves your order. Shirts will be available for pick-up at the sale table starting Friday of the test and tournament weekend. Thanks for your support.
